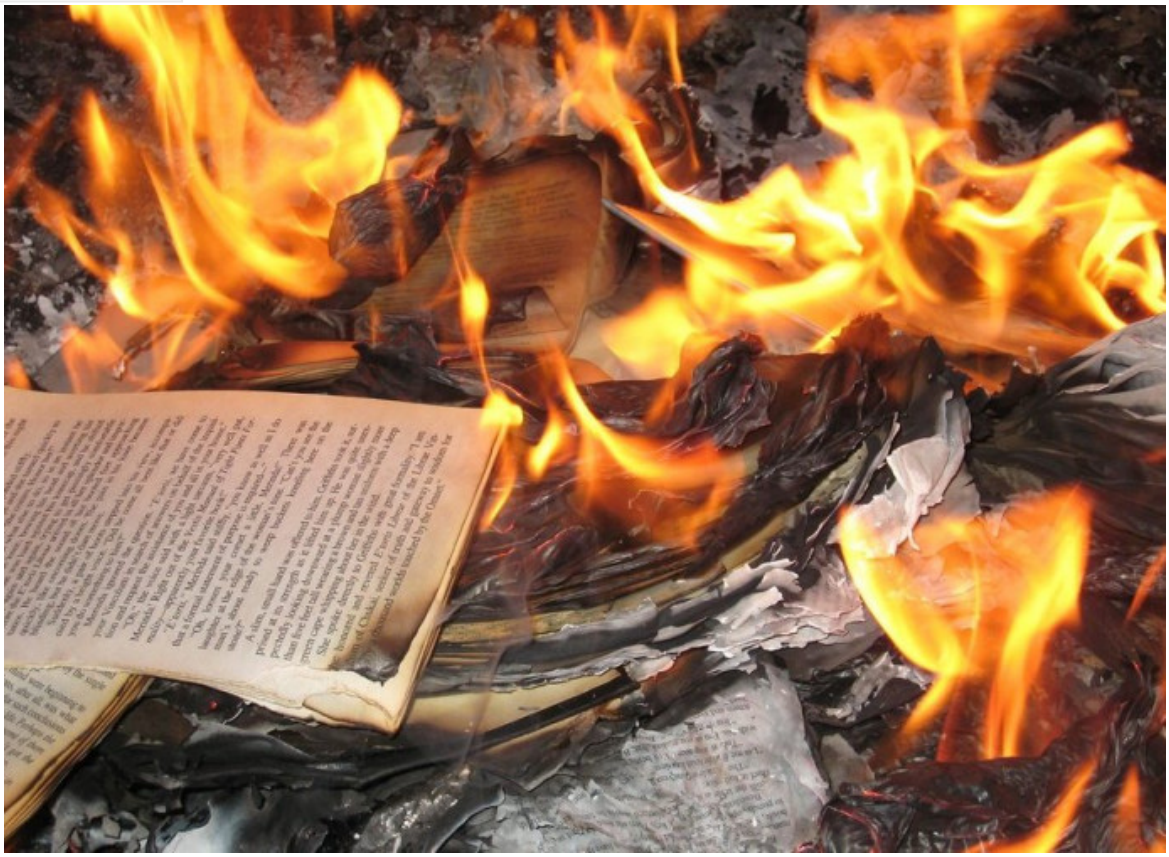
Amazon non vende libri "no gender"

GENDER WATCH 01_09_2019



La piattaforma Amazon ha deciso di non vendere più libri che sono critici verso l'omosessualità e la transessualità tra cui autobiografie, testi religiosi, manuali sulle terapie riparative e per uscire dalla dipendenza. Insomma chi non si allinea al mainstream viene censurato. Su change.org è partita una raccolta firme contro Amazon.

Questo è un elenco parziale di testi che non potrete più comprare su Amazon:
